

Description of the offer :

Each participant registered for the 2022 Château de Chantilly Triathlon and multisport event can access receive 4 FREE companion tickets to the grounds per day of competition.

This offer is valid until August 28th 2022 and only accessible through the link provided by the organizer. Beyond that, the usual park ticket pricing (€8 full price / €6 reduced price) will be applied.

The Participant Companion tickets ensure access to the park of the Chateau de Chantilly and the Event village on the day of your competition.

Tickets are valid for either Saturday August 27th or Sunday August 28th 2022. For a visit on Saturday AND Sunday, it is necessary to place 2 orders for free tickets.

No entrance will be granted without a ticket (1 ticket per person and per day if you come on both days).

N.B. : Tickets can be printed or saved on your Smartphone.

Anyone who can not present an accompanying ticket valid on the day will have to buy a Parc ticket (8 € Full price) from the ticketing office of the Domaine de Chantilly.

Any other visitor to the Domaine de Chantilly will have to pay for access at the usual rate.

One of the parents of a child registered on a race and aged 8 to 15 years old can have free access to the event with the confirmation email of the participating child. In this case only, an accompanying ticket is not necessary.
