TERMS AND CONDITIONS

1 OVERVIEW

Our Trading Places programme offers athletes the opportunity to earn a free or discounted race entry in exchange for supporting Castle Race Series events as a marshal.

2 HOW IT WORKS

Marshal at a Castle Race Series event for one full day and receive a complimentary or discounted individual race entry for yourself or someone of your choice at an eligible Castle Race Series event.

3 RACE ENTRY ENTITLEMENT

- One full day of marshalling earns one Trading Places reward.
- Free race entry for individual events up to and including Olympic distance triathlon, and other eligible running, swimming and multisport events.
- 50% off a Gauntlet (middle distance) triathlon entry.
- 30% off a Bastion (full distance) triathlon entry.
- Rewards can be used for the marshal or gifted to a friend or family member.
- Rewards apply to the full price individual race entry fee only and exclude booking fees, governing body day licences and optional extras.
- Rewards cannot be exchanged for cash or combined with other promotional offers or discounts.
- Relay entries are excluded unless agreed in advance.

4 MARSHALLING COMMITMENT

- Participants must complete one full day of marshalling, working the shift and duties agreed in advance with the Event Operations Team.
- Marshalling roles and shifts are allocated according to operational requirements.
- Participants must attend any required briefing and follow instructions from the event team.
- Trading Places rewards are issued following successful completion of the agreed marshalling shift.

5 BOOKING & AVAILABILITY

- All Trading Places race entries must be arranged through the Castle Race Series team using the booking instructions provided.
- Race places are subject to availability, event capacity and relevant eligibility requirements.
- Rewards must be redeemed for an eligible Castle Race Series event within the current or following calendar year, unless otherwise agreed.
- Rewards may be redeemed by the marshal or a nominated recipient but cannot be sold or exchanged for cash.
- Once a reward has been redeemed and a race entry confirmed, the entry is subject to our standard transfer terms.

6 CHANGES & CANCELLATIONS

- Once a Trading Places race entry has been booked, our standard race entry Terms & Conditions apply.
- If a marshal is unable to fulfil their agreed shift, they must notify the Event Operations Team as soon as possible.
- Failure to complete an agreed marshalling shift may result in withdrawal of the Trading Places reward, cancellation of an entry issued in advance or charge for a race that has already taken place.

7 ADDITIONAL MARSHALLING DAYS

- Participants wishing to marshal for multiple days are welcome to do so.
- Each completed full day earns a separate Trading Places reward.
- Rewards cannot be combined against a single race entry unless specifically agreed in advance by Castle Race Series.

8 GENERAL CONDITIONS

- Trading Places opportunities are subject to availability and operational requirements.
- Castle Race Series reserves the right to amend the programme for future marshalling commitments, with any changes communicated in advance.
- Any exceptions to this policy must be approved by the Event Operations Team.
